## INDEPENDENT AUDITOR'S REPORT

To the Council  
St. Vincent and the Grenadines Port Authority  
Upper Bay Street  
Kingstown

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the financial statements of St. Vincent and the Grenadines Port Authority (“the Authority”), set out on pages 4 to 39, which comprise the statement of financial position as at December 31, 2019, the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Authority as at December 31, 2019, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS).

#### *Basis for Opinion*

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Authority in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

#### *Emphasis of matter*

We draw attention to Note 29 of the financial statements, events after the reporting date, which describes the uncertainty related to the Coronavirus outbreak. Our opinion is not modified in respect of this matter.

## INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Council  
St. Vincent and the Grenadines Port Authority  
Upper Bay Street  
Kingstown

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**INDEPENDENT AUDITOR'S REPORT (CONT'D)**

To the Council  
St. Vincent and the Grenadines Port Authority  
Upper Bay Street  
Kingstown

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ST. VINCENT AND THE GRENADIENS PORT AUTHORITY  
**Clarence Keizer Education Award**

The SVG Port Authority continues to fulfil its corporate mandate through the annual distribution/disbursement of the Clarence Keizer Education Award. The award program was started in 1995 and sees the awarding of full scholarship to children of the Port's employees who are successful in Caribbean Primary Exit Assessment (CPEA). The scholarship provides support for a seven (7) year period from secondary through to tertiary level. There are currently twenty (20) students, excluding the 2019 recipients, who are entirely benefitting from the Clarence Keizer Education award. Bursaries were also awarded to an additional four (4) children who were also successful at the CPEA.

This year's scholarship recipients are as follows:

- Juen John***
- Kadel Hector***
- Jonte Colin Delpesche***
